12 Cross the walking bridge to the Wenatchee Riverfront Railway

East side of Wenatchee Ave.

Clue 1 - I am part of the City of Wenatchee's Millennium Project and I was placed here in 2000. I'm called "It's All About Time."

Clue 2 - If you don't know about my life cycle, you can discover it here. (Turn around)

Clue 3 - I'm made out of bronze so I cannot hop. Sweet Roll by Joy Beckner

Clue 4 - I'm made of aluminum but you can tell I'm talking to the moon. Listen..La Lune by Margaret Grant.

Clue 5 - Ghost signs are all over Wenatchee. I'm pointing to a basement store and I was painted by Pete's Sign Shop. (hint - across the street)

Clue 6 - Look at the map picture carefully. Can you tell where I was cut in half?

Clue 7 - I am a piece of art created by Daniel Michael - Augmentation

Clue 8 - Look across the street. I was built in 1924 and was home to SH Kress & Co.

Clue 9 - I used to be known as Miller's Clock because I sat in front of Miller's Camera. Now I mark a new store, Firehouse Pets -stop in for some popcorn and to see if they have any adoptable cats

Clue 10 - Can you howl like me? Coyote by Dan Klennart

Clue 11 - You will see several of me around town. I light your way at night.

Clue 12 - If you go over the walking bridge, you can take a ride on me. Wenatchee Riverfront Railway, 10-inch gauge miniature railroad.

Clue 13 - What year did we win the Great American Main Street Award?

Clue 14 - I was found in a field, now I live in the Wenatchee Valley Chamber of Commerce.

West side of Wenatchee Ave.

Clue 15 - I used to be a famous hotel in Wenatchee - The Cascadian Hotel

Clue 16 - Look across the street, this building was the post office before they built the building that is now the museum

Clue 17 - Look both ways, but always use me when you cross.

Clue 18 - Look across the street. You don't usually see me up here.

Clue 19 - You saw my name up high, but now look to the ground.

Clue 20 - If you stand here long enough you will be able to get a ride to the next stop. Do you know why it's called Link Transit? Because their motto is "Connecting our Communities" - like the links of a chain.

Clue 21 - Do you see all the colors? What do I say?

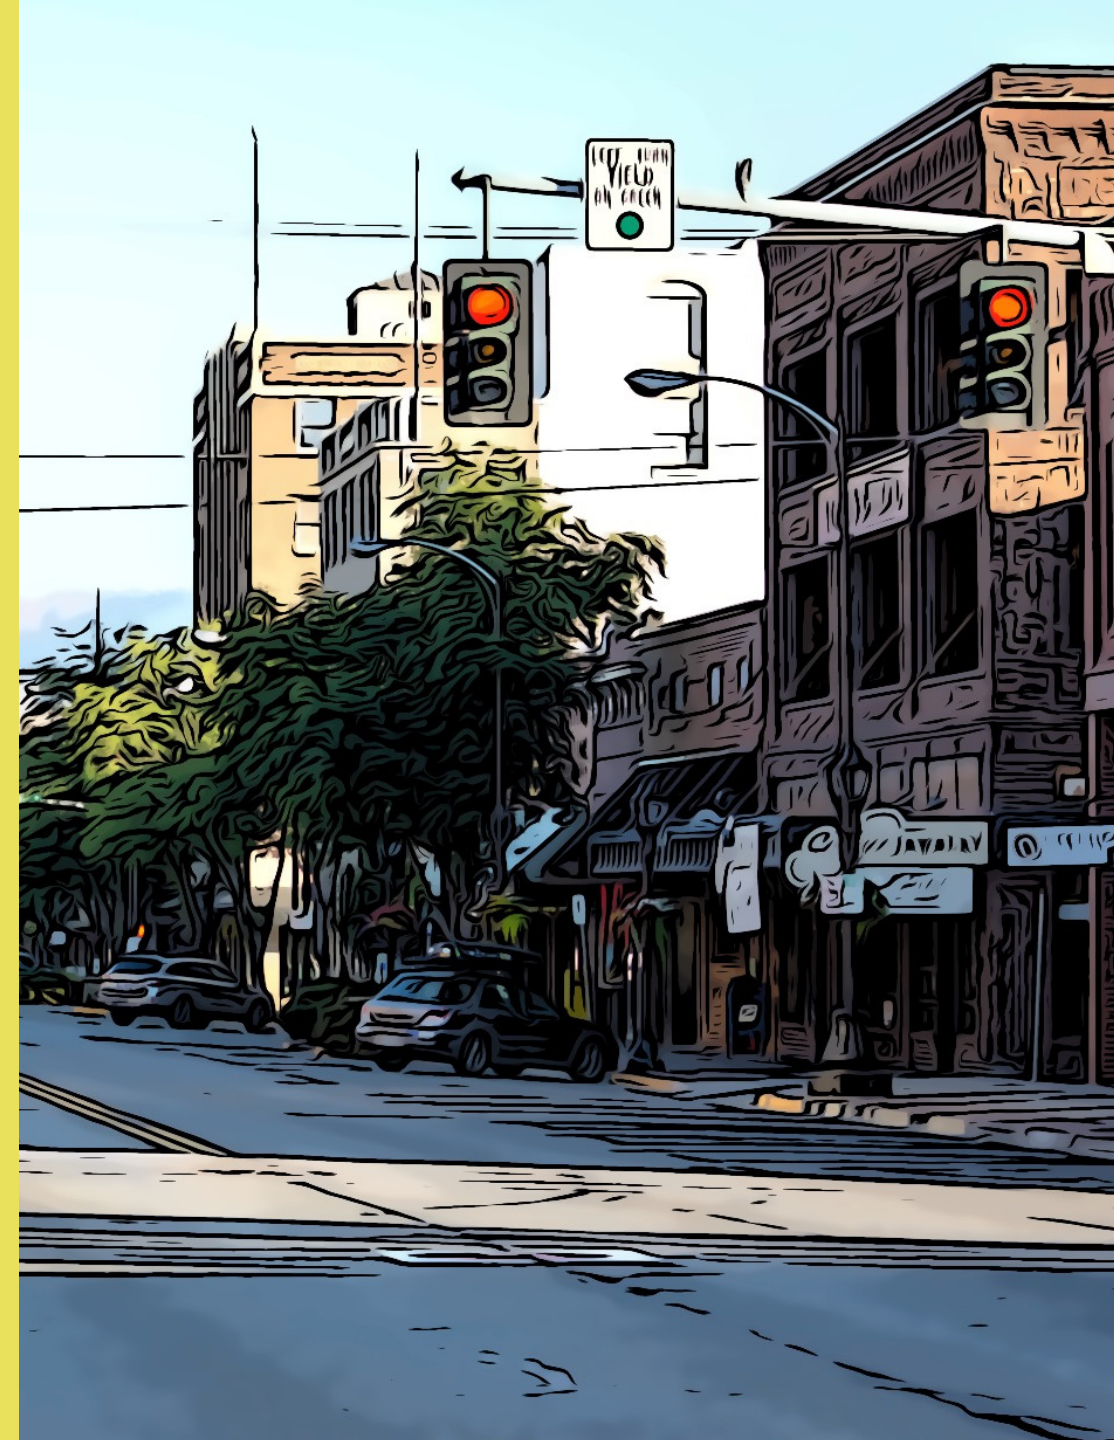

Clue 22 - Look in the park - I was manufactured in 1855 by Cyrus Alger & Company of Boston. I weigh 1874 lbs. and am one of five bronze cannons of this size that survive today.

Clue 23 - I started the Wenatchee Youth Circus and Kevin Pettelle created my image out of bronze. You can learn more about me at the museum.

Clue 24 - I was open for 91 years. Can you guess what was in my big garage doors?

Clue 25 - Look closely and you will see "Close Encounter with a Long-Tailed Weasel." I am made of bronze and was created by Gretchen Daiber

Clue 26 - I'm just sitting killing time. "Coyote Reading a Candy Wrapper," by Richard Beyer and I'm made of cast aluminum. Stop in the museum and see what's new...and old.
