

43rd Annual Wenatchee Valley Museum & Cultural Center Regional High School Art Show March 4 – April 2, 2022

The Wenatchee Valley Museum and Cultural Center is proud to sponsor the Regional High School Art Show in cooperation with the North Central Educational Service District and the Office of Superintendent of Public Instruction each year.

Our ability to send student art work on to the Annual Superintendent's High School Art Show in Olympia, is directly linked to the number of entries received for our Regional Show. This is a wonderful opportunity to showcase our students' creativity and talent district wide and state wide. I hope you and your students will plan to exhibit their work this year!

The exhibit will go live on Friday, March 4th, with an in-person opening, hosted by the museum. A reception and awards event will happen on March 12th. We will continue to produce a video of the winners as we have during the past two years.

Based on feedback from teachers we are continuing with digital submission although we are returning to an in-person exhibit, that requires delivery of artwork to the museum. See the following pages for the specific details and a schedule.

If you have any questions or need support in any way please do not hesitate to contact me.

**Kasey Koski,
Curator of Exhibits**

**Phone: 509-888-6247

IMPORTANT INFORMATION ABOUT THE REGIONAL HIGH SCHOOL ART SHOW

1. Only original artwork will be accepted!

2. Preparation for display

- All submitted pieces should be well photographed, in even light and from straight on eliminating skew as best as possible. Try and eliminate glare. There are many online resources to help take good photography of your artwork with a smart phone. One good one is found here: <https://photovideolounge.com/718/photograph-artwork-with-iphone/>
- Image files **MUST** be titled with the student name, School and Category
- Submitted pieces must be dry and prepared for hanging in the gallery. Framed with a wire hanger recommended.

3. Judging process

Judging takes place at the regional level is usually done by a panel of three judges. Two are typically local artists of varying backgrounds, the third is an educator from outside of our region or not actively teaching at this time. Judging is done blindly to prevent bias. Judges are asked to consider three areas:

- **Creativity:** The artwork demonstrates original thinking, and expressive, artistic perceptions.
- **Composition:** Artwork demonstrates a unique and sensitive way of answering artistic problems. It illustrates student understanding of and ability to interpret the elements of art and the principles of design. It makes a unique statement.
- **Technique:** The artwork demonstrates student competency in using the medium to achieve the desired outcome.

At the Regional High School Art Show, judging categories will include: **Drawing** (1st thru 3rd); **Painting** (1st thru 3rd); **Mixed Media** (1st thru 3rd); **Three Dimensional** (1st thru 3rd); **Printmaking** (1st thru 3rd); **Photography** (1st thru 3rd); **Digital Media** (1st thru 3rd).

4. Display of student artwork in publications

The opportunity to display student artwork in various multi-media formats, including, but not limited to the Wenatchee Valley Museum & Cultural Center and Office of Superintendent of Public Instruction websites, necessitates we seek permission from the student artists.

5. Suitability of artwork for display

- At the State Art Show level, OSPI reserves the right to display student work according to internal resources and in relation to the size, material, weight, and content of the student work. OSPI does not censor student artwork, but if it violates internal agency regulations for health and safety, they will display the work accordingly or not at all.
- As for content, requirements for appropriate artwork are in compliance with the individual school district policies and ESD policies. Artwork that is not acceptable in a school district due to policy and practice is not acceptable at the state or regional level.

6. Submission quotas and formula for sending entries from regional winners to OSPI:

- No more than two (2) pieces per student can be submitted at the regional level.
- Six (6) entries for every 100 pieces received for the ESD Regional Show can advance on to the OSPI Show.
